

Certificate of conformity of the factory production control

0402 - CPR – SC0842-16

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Structural steel components
Manufacturing of steel profile systems for lightweight construction.
Execution EXC 2
Component specification method 2

placed on the market under the name or trade mark of

Europrofil AB
Box 147
SE-713 23 Nora
Sweden

and produced in the manufacturing plant

Europrofil AB, Industrivägen 9, SE-713 91 Nora, Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standard

EN 1090-1:2009+A1:2011

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 2017-03-07 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
